**\$3.50 Recipe For
Weak Kidneys, Free.**

Relieves Urinary and Kidney Troubles.
Backache, Straining, Swelling, Etc.

**STOPS PAIN IN THE BLADDER,
MIDRYS AND BACK.**

Wouldn't it be nice when a week or so to begin to feel good have to have the terrible distressing, straining, or frequent passage of urine, the stiffness and pain in the back, the growing muscle weakness, spots before the eyes, yellow skin, burning urines, swollen ankles or ankles, leg cramps, urination at short intervals, sleeplessness and then dependency?
I have a recipe for these troubles that you can depend on, and if you want to make a quick recovery, you ought to write and get a copy of it. Many a doctor would charge you \$20.00 just for writing this prescription, but I have it and will be glad to send it to you entirely free. Just drop me a line like this: Dr. A. E. Robinson, 1414 Park Building, Detroit, Mich., and I will send it to you in a plain envelope. As you see when you get it, this recipe contains no pills, no poisons, no stimulants, but it has great healing and pain relieving power.
It will quickly show its power when you use it, so I think you had better see what it is without delay. I will send you a copy free—you can use it and ease yourself at home.

A HAPPY, LAUGHING CHILD IN FEW HOURS

If Cross, Feverish, Tongue
Coated or Sick, Give
"Syrup of Figs."

Mother! Don't scold your cross, peevish child. Look at the tongue! If it is white, yellow, or coated. If your child is listless, drooping, isn't sleeping well, is restless, doesn't eat heartily or is cross, irritable, out of sorts with everybody, stomach sour, feverish, breath bad, has stomachache, diarrhea, sore throat, or is full of cold, it means the little ones' stomach, liver and bowels are clogged with waste matter and need a gentle, thorough cleansing at once. Give a teaspoonful of Syrup of Figs, and in a few hours all the clogged up waste, undigested food and sour bile will gently move on and out of its little waste clogged bowels without nausea, griping or weakness, and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of delicious figs, senna and aromatic that cannot be harmful, besides they dearly love its delicious taste. Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed—a little given to-day will save a sick child tomorrow. Full directions for children of all ages and for grown-ups plainly printed on the package. Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared for the E. W. Little & Co. This is the coldest, healthiest, genuine old reliable. Refuse anything else offered.

DISTRESSING CASE OF HIVES CURED

Body Covered with Large Red Marks.
Face Also Affected. Cuticura
Ointment Eased Skin Right
Away and Completely Cured.

"I retired one evening and after sleeping a couple of hours was awakened by a burning sensation all over the upper part of my body. It was just simply terrible. I tried to scratch myself, but it was impossible for me to sleep the rest of that night, so I had to get up and wash my face with cold water and then I started to scratch myself. When daylight arrived I saw that my body was covered with large red marks and I had the hives. I had prescribed a doctor and also given me some ointment. As the marks were on one part of my body to another. The medicine and ointment were of no use, and I felt greatly disappointed. I had been looking over the papers I saw the Cuticura Remedies advertised. I immediately procured some Cuticura Ointment and applied it to my body. I could hardly believe it, but it seemed to ease my skin right away. I kept on using the Cuticura Ointment for a week and can say that it certainly was the best preparation I had ever used. It completely cured me, and I have not been troubled since." (Signed) William Waterman, 120 E. 102nd St., New York City, Dec. 8, 1910.
Although Cuticura Soap and Cuticura Ointment are sold by druggists and dealers everywhere, a liberal sample of each, with 22-page booklet on the skin and hair, will be sent, post-free, on application to Potter Drug & Chem. Corp., Dept. 23A, Boston.

Forwarned! Timely Notice

There will be an unprecedented two weeks of bargains at all the Union Supply Company's stores during the last half of May. This is a forwarned; a timely notice, for every resident of the coke region to be on hand and participate in the great bargain events. It would be a reflection on the intelligence of any man or woman who would not take advantage of this opportunity to save money and supply their homes with all the necessary wants. The high standard of quality of Union Supply Company's goods is established, and that is a feature it is unnecessary for us to talk about. We do want, however, to specify some of the sensational bargains.

First we Call Your Attention to

the remarkable values that we have for women and misses, consisting of made up shirt waists, dresses, millinery, and complete line of all sorts of furnishings, such as hosiery, underwear, gloves, neckwear, cosmetics, and corset covers, hosiery and all sorts of undergarments. And remember, during the balance of this month, the price on all these new fashionable goods are being cut. This sale is unique, because a sale of this time of year is simply a Union Supply Company innovation. It is giving you the advantage of cut prices; reduced prices, something all opposition merchants put off until the latter part of the season when they are obliged to force the stock out.

Wright-Metzler Co.

Every Man's Taste in Clothes

What do you like in the way of cloth in a suit of clothes? How does a worsted strike you? There's something lasting, durable in its twisted thread! The long-plaited strands of wool are very cables for wear! Do you prefer the smooth, dressy effects of the finished worsteds? Or the soft, nappy, full body of the unfinished article? It makes no difference which way your taste lies, we'll satisfy it here! Whatever you buy at Wright-Metzler's is worthy your full confidence in quality and correctness of style. No limit to choice of color or fabrics.

Suits \$10 to \$35—Extra Values at \$20—Strong Line \$15, \$17.50 to \$25. Blue Serges at \$15 and \$20 Unequaled.

It is the tailor work that doesn't show that makes a garment hold its shape. And it's the fabrics and colorings not met at every turn that characterizes clothing from the makers of best kinds. These two features are in the clothing at the prices you read above. Here's a point of difference—soft, flexible tailoring, kneaded and stitched by hand to retain its lines. No other store here handles such clothes. The extra merit in them costs more than most stores are willing to pay without charging you a higher price than we do. Notice the man who wears Wright-Metzler's clothes.

Full-Cut True Blue Overalls, 50c.

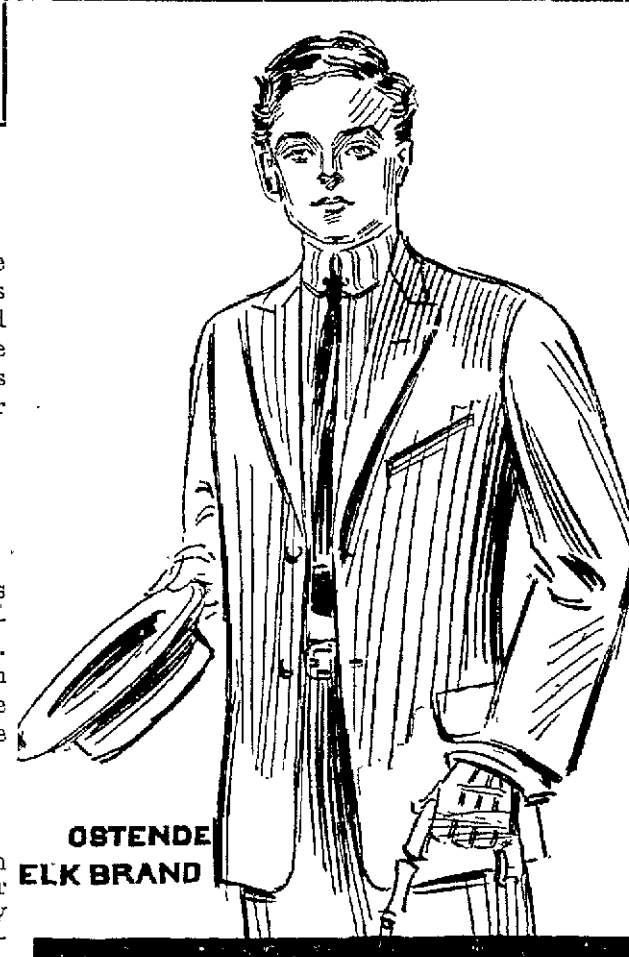

There's a surprise for the man who buys a pair and says, "Oh, well, I don't expect much anyhow at 50c."

Khaki Pants for Men, \$3.00 to \$1.00.

Several weights and different shades in color. Neat fitting, safely sewn, properly cut and amply full. All sizes.

Regular steamer and wardrobe shapes. Bags are of solid leather, or in the cheaper grades, the best imitations yet produced. Suit cases are of leather, fibre, matting and keratol. Prices are normal and construction is right.

Saturday Ends the Muslin Underwear Sale

Other lines of White will Continue at Economical Prices Throughout May.

Why Buy Underclothes in the Sale of White?

Because of the wonderful variety of styles—far more than a woman would ever be likely to see at other times.

Because these styles are the best, following the fashionable lines of the outer apparel and showing the pick of the ideas of a score of manufacturers.

Because the muslins, cambrics and nainsooks are so fresh and fine. No yellowed material, or material stiff with dressing, will find its way into our white sale.

Because the workmanship is all that exacting critics could ask.

Because it's a sale designed to meet everybody's wants.

Because prices are considerably less than at other times, except in January, and less than it would cost to make similar garments at home.

Because the sale ends Saturday and each moment now will see quantities of garments melt away, not to be duplicated.

After Saturday These White Sale Undermuslins Must Go Back to Their Original Prices—Big Savings Today

After she had looked at them all—fancy, delicate and lace—she said to her daughter, "Would you like one of these, Alice?" And Alice, her eyes dancing and her face beaming, said, "Would I?—but I hardly know which one, they're all so lovely!" But a few minutes more and a little closer examination and they decided on the "one." That was all—no worry with dressmaking, no changing plans, no wondering if the style would suit when it was made up. Will you see them?—dainty, dainty white affairs that are wonderfully attractive. Some show touches of color—Only one of a kind and shown nowhere but here.

RAIN PREVENTS ALL GAMES IN O. & P. LEAGUE YESTERDAY

Cokers Go to Follansbee Where Bill Sheetz Will Undergo Baptism of Fire.

All the teams in the O. & P. league were idle yesterday and a number of openings were spoiled. Manager Wilson and his Cokers liked to Follansbee where they meet the Stubs in a two-game series. Bill Sheetz will undergo his baptism of fire today or tomorrow. Wilson plans using Sheetz and Hauser in the two games. The games with the Stubs will at least give Coker fans an inkling of what to expect from the Cokers on the road. In past years the team has never made much better showing away from home than the basketball team but things look different this season. One thing seems sure, the boys will keep fighting until the last man is out.

TIMELY CRAT ABOUT O. & P. BASEBALL.

There is no reason for the Cokers to feel discouraged over their showing. It is true both contests with McKeesport should have been won. There is no question, however, that Thursday's game would have gone to Connellsville and nine innings been played. One mighty bright feature about the Cokers' play is that they aren't beaten until the last run dies. With the score 1 to 0 against them, they sailed in against overwhelming odds and almost won. Manager Wilson and his men deserve the same hearty support that has been accorded other teams in the past.

Some unkind remarks came from the grandstand at the Coker manager and his men Thursday. Some of them were from the direction where sat a party of men rather closely allied with basketball here. This cer-

tainly isn't the proper spirit to exhibit. Fans in general want baseball, but the basketball men apparently would prefer the town to go without that sport this summer.

Manager W. C. Wilson deserves the hearty support of every fan who enters the park. His methods may not meet with the approval of some, and there may be room for criticism of the team. But the fact remains, and cannot be disputed, that but for W. C. Wilson there would not be a ball team, fence, or grandstand. In view of the fact that past managements have extracted from \$5 to \$100 or more from the rank and file of baseball enthusiasts here for the support of teams that made no better showing, the spirit of fair play for which Coker fans are noted should give to Wilson a fair trial and plenty of encouragement. Baseball in Connellsville is Wilson—that's all.

As for the Coker team, the fans have little room for complaint. There is room for improvement, but Wilson has the nucleus for a strong team. It is game, popery and has plenty of finger, something former Coker teams sadly lacked.

Gross made the feature play of Thursday's game when he ran past second base to recover a slider which Horne broke down but could not stop. It was the kind of a play that has made Roy Ellis famous. Gross' scoop and hurl to first were simply dazzling.

Frank Horne has no reason to feel discouraged. He was hit hard in one inning, but despite this fact he clearly outpitched his opponent. A little better control and Horne will be moving them all down. It was his first appearance in professional company but he had all the marks of a veteran. The Everson and Scottsdale fans who pulled so lustily for Horne had the satisfaction of seeing

Unofficial attendance reports are to effect that there were 2,300 paid admissions for the opening game, the largest crowd around the circuit. There was a mighty good crowd the day following. Despite the miserable weather. It looks as if the fans here want to see baseball and are willing to brave the elements to do it.
